Dear Almond friends:

Just a note to let you know how very much I and my friends enjoyed our recent visit to your church and beautiful country. It was such a pleasure to finally "come home" to the place we had heard so much about. The trip was primarily for genealogical research but it turned out to be so much more. Your warm greetings truly made us feel right at home.

Maybe next time we can take Mrs. Stephen up on that cup of tea!

In these tumultuous times, it is comforting to know that your congregation joins ours in prayers to the Almighty for guidance and light. I trust He will lead us in the right direction always.

If any of you ever visit our little patch of woods, please stop in to see us at your sister church. We will welcome you with open arms.
Warmest regards,
June Bar
