

## Title – God's People under Lockdown

Christians are responding to Lockdown in many different ways. Some are just getting along without church or anything spiritual, and sit and watch TV instead. Some are listening to Songs of Praise or Christian radio programmes and keeping their faith alive, some are reading the Bible in a way they never did before, and some are looking at what God is doing in the Covid Pandemic scenario we are in just now. Do we have an obligation to seek God's face in this situation, or, as some think, just leave it to our church leaders to figure out a response? In this service, let us try to imagine how God's people responded in previous Lockdown's and then think again about our own response. Is God saying something to us, His church at this time?
